

About Dougie

Hi, I'm Dougie. I'm 13 (2026) and I play the drums and percussion in Dunchurch Band.

My favourite part about the band are the shows we do because I love performing in front of a crowd. Currently my main aim is to become a great drummer for a band and tour the world.

I was introduced to the drums by my dad and uncle as they are both professional drummers, so I've been playing since I was one and have been glued to the drums ever since.

I have been a member of the band for two years now and I am proud of how much I've improved since last year. When I started, I didn't have clue how to read music but after throwing myself into the deep end, I can now read and follow the music. I enjoy following the conductor and playing along with the band, especially creating my own fills!
