

About Paul

Here's what he has to say (comedian amongst the band):

I am a full-time 2nd Baritone player and part time Histopathologist. (Or is that meant to be the other way round 🙄).

I started with West Glamorgan Youth Brass Band in the early 1980s. Moving to become part of the national Champion Youth Band in 1984.

I have played with a number of previous bands including Pontarrdulais and Coventry Festival.

I fill the rest of my time with Italian Coffee pots, vintage fountain pens, pickling and marmalade making. (Shared among members of the band of course!)
